

WIKI Loves Monuments

Wikimedia - India

Wiki Loves Monuments is an international photo contest about cultural heritage monuments in September 2012!

Everybody can participate and improve Wikipedia in their local and regional neighbourhood. Cultural heritage is everywhere around you, you just need to look, spot and shoot!

You can win awards amongst photo entries from India! Whats more - the best photos from across India continue to the international jury – which will select the best monument photos in 2012 globally!

Visit <http://www.wikilovesmonuments.in/> for more!

Participate and Win!
