

create - educate - participate - collaborate

open edge 2009

Friday 9 October 2009
SCEGGS Darlinghurst, NSW

Towards open education in Australian schools – bringing together the local and global

Call for presentations open until 28 August

Submissions are invited for presentations on the theme of **Open Education** in relation to:

-  Content
-  Licensing
-  Software and
-  Pedagogy

Where possible, presentations should address practical examples of how open education is being introduced and practised in schools. The program will include a range of presentations: Both long (30 - 40 mins) and short (10 - 15 mins), as well as lightning talks.

Please submit your presentation proposal no later than **28 August 2009** for consideration by the forum organising committee which consists of:

- Associate Professor Kathryn Moyle, University of Canberra.
- Ms Donna Benjamin, Executive Director, Creative Contingencies.
- Mr Ian Ralph, IT Manager, SCEGGS Darlinghurst.

The presentation proposal should be no longer than 300 words and provide an overview of the topic to be addressed in the presentation. Include a brief bio to be posted on the website, and used to introduce you on the day. Please also indicate whether you would like a long or short time slot for your presentation.

We hope to record sessions, and release forum proceedings under an open content license. Please consider this when submitting your abstract, and preparing your forum presentation.

Should you require any further information please contact Ms Donna Benjamin - donna@cc.com.au or phone +61 418 310 414.
