

Agreement

between

ScienceOpen, Inc.
60 Mall Rd., Burlington, MA 01803 USA

(„ScienceOpen“ in the following)

and

Wikimedia Foundation, Inc.
1 Montgomery Street, Suite 1600
San Francisco, CA 94104, USA

(“Publisher” in the following)

regarding abstracting and indexing services (“Services” in the following) provided by ScienceOpen for specified journal article content (“Content” in the following) of the Publisher for the *WikiJournal of Medicine*:

1. Services

The Publisher forwards ScienceOpen a list of journals and Content for which ScienceOpen will provide the specified Services on a regular basis during the term of this Agreement. Specified Services are: addition of metadata of Content into the ScienceOpen database, the reference analysis of Content for inclusion in ScienceOpen citation indexing, linking back to Publisher’s Content webpage.

2. Pricing

There will be no fees for abstracting and indexing services, as long as the journal does not charge APCs. Prior to raising APCs the Publisher will contact ScienceOpen to renegotiate terms of this agreement.

3. Data delivery

All Content and metadata (“Data” in the following) will be provided by the Publishers in the data format as specified by ScienceOpen.

4. Data management and archiving

All Content and Data provided by the Publisher will be used for indexing on the ScienceOpen website. Full text Content of the Publisher is only used for indexing purposes by ScienceOpen and will not be shown to any third party user. ScienceOpen is entitled to keep and use Data even after expiration of this agreement.

Articles with a Creative Commons license will be displayed in full text with a link back to the publisher webpage. For articles where the copyright is held by the publisher, only metadata, abstract and reference information will be displayed and the record will link back to the original article on the publisher webpage. User authentication for users redirected to the original article is up to the Publisher.

5. Termination

This Agreement starts at 15.11.2017 for one year and will be renewed automatically if not terminated by one of each party with a three month notice.

6. Promotion of Collaboration

The Publisher and ScienceOpen agree to collaborate in communication about this indexing agreement actively in blogs, tweets, joint press releases and other social media channels.

7. Terms

The Terms and Conditions of ScienceOpen apply (Appendix: bit.ly/2lMOgDy).

The Privacy Policies of ScienceOpen apply (Appendix: bit.ly/2kU37Ni).
