

NEGAWATT

FLIPPING THE SWITCH ON ENERGY EFFICIENCY

Think you got what it takes to tackle energy efficiency in Accra?

THE NEGAWATT WEEKEND

A two day idea-thon!

Participants form teams and compete with one another to ignite viable ideas to solve the most pressing energy issues in Accra!

Teams with the most promising ideas are eligible to move on to the next phase as semi-finalists, where they are given the tools to further develop and prototype their proposed solutions.

Date: March 14 & March 15
Venue: iSpace Foundation
Time : 9:00am- 6:00pm (both days)
